Our boys and girls did not win as many games as our rival schools; however, we are proud of the legend the Trojans have built up during the past two years at Cedar-Lee High School. Our team always has a willing spirit and the "gang" is always eager to "stick to the guns and fight" for dear old C-L. H. S. The cheerleaders also deserve praise because they played their part well in boosting the moral of our teams. We are proud of our Trojan teams.
